An evening full of fun and frolics

This is a very popular night, which gives our guests a chance to be in fancy dress. At the reception a selection of fine French wines may be tasted, whilst having a great time with our very own "Renee" with his quick wit and repartee.

After coffee it's our Can Can Spectacular. This is the chance for some guest to show off their own dancing skills and have a bit of fun. To finish the evening you can can dance to our disco. All in all, this will be a fantastic night to remember.
